**TO:** Mayor and City Council  
**FROM:** Director of Public Works  
**SUBJECT:** Foothill Boulevard Median Landscaping - Grove Way to Apple Avenue:  
Approval of Plans and Specifications and Call for Bids

**RECOMMENDATION:**

It is recommended that the City Council approve the attached resolution that approves the plans and specifications for the Foothill Boulevard Median Landscaping, Grove Way to Apple Avenue, and calls for bids to be received on March 13, 2001.

**BACKGROUND:**

The City's adopted Landscape Beautification Plan identifies Foothill Boulevard as one of three entry streets in the City, with highest priority for upgrading the landscape appearance.

In late 1998 and early 1999, the City installed landscaping in the median on Foothill Boulevard between Hazel Avenue and Grove Way. Landscaping included the installation of trees, shrubs, boulders, flat rocks, and decorative paving.

This project will complete the remaining Foothill Boulevard median landscaping and irrigation work, from Grove Way to the North City Limit at Apple Avenue, using the same previously approved landscaping design.

Staff has established a goal of 10 percent for Disadvantaged Business Enterprise (DBE) and a goal of 3 percent for Women-Owned Business Enterprise (WBE) participation for this project. The goals were established through an evaluation of available subcontracting opportunities for the project and an analysis as to which portion of that subcontracting would be reasonable to set aside for DBE and WBE participation.

This project is categorically exempt from the requirements of the California Environmental Quality Act based on CEQA Guidelines Section 15301, minor alteration of existing facilities.

## PROJECT COSTS:

The estimated costs of the project are as follows

Construction Cost	\$245,000
Design and Administration	20,000

## FUNDING:

A total of \$240,000 is approved for this project in the Capital Improvement Fund in the 2000/2001 Capital Improvement Program budget. After bids are received, an additional appropriation will be requested, if necessary.
